

Student Handbook Agreement

To be signed by Parent/Guardian and Student and Returned to Mr. Brown's Office

I fully understand that participation in band requires a commitment to practice, attend rehearsals, attend and participate in performances and follow the rules and regulations of the band explained in this handbook. I understand that my commitment to be a team player is vital to the success of the band. When I miss a rehearsal or performance, I not only hurt my opportunity to improve but also limit the success of the entire band.

Fundraising for the Bay Band Program is a must and must viewed as a priority. The executive board, along with the band director, will prepare a budget for the school year, not to include the yearly trip. A portion of the yearly budget will be fundraised by each band student. The portion for the 2022-2023 school year is total of \$300 to be paid in 2 installments, \$100 due July 18th and \$200 due September 15th. All moneys collected by the Bay Band are considered a donation and will not be refunded. I understand that School Board policy 8.302 states the primary authority and responsibility for assessment and reporting of student achievement of standards is the band director. The band director shall report all assessments of student achievement in a timely manner at the direction of the principal or Superintendent. Such assessment shall be based upon factors, including but not limited to: participation in performing group rehearsals and performances that occur during or after school hours. I understand that my classroom extends beyond the regular school hours when participating in rehearsals and performances. My class grade depends on my attendance at all rehearsals and performances. Therefore, I realize the importance of attending rehearsals and performances and understand that my lack of attendance at a rehearsal or performance could adversely affect my grade in the band and may even result in my dismissal from the band.
