PREFACE

To make any organization successful, much planning and effort are required. This handbook was written for the students and parents of Bay High School's "Million Dollar Band." Knowledge of its contents will provide each student and parent with an understanding of how they may best contribute to the productivity and overall success of the program. All items listed in this Handbook are in ADDITION to any items in the School & District Policies.

EXCUSES POEM

Excuses are tools of the incompetent
that build bridges to nowhere and monuments of nothingness.
Those who use them seldom excel in anything else.

MILLION DOLLAR BAND MISSION STATEMENT

TO CHANGE THE LIVES OF THOSE AROUND US
BY SPREADING OUR PASSION FOR MUSIC AND PERFORMANCE.

ACADEMIC ELIGIBILITY

- The 1997 Florida Legislature amended Section 232.425.F.S, regarding eligibility to participate in co-curricular activities stating the student must maintain an overall cumulative GPA of 2.0. If a student falls below this mark, a probationary period may be instituted, during which time the student must improve the GPA. If a student fails to do so, he/she will be removed from the program.
- All A's & B's in all Band Classes currently enrolled, and a 2.0 overall average are required to go on any "over-night" trip or perform in any FBA-related activity.

STUDENT EXPECTATIONS

Each Band Member is expected to do the following:

- Attend all rehearsals and performances
- Be prepared for rehearsals and performances
- Keep instrument and equipment in performance condition
- Keep uniform in as-good-as or better condition in which it was received
- Understand the duties for the Officers so that the students may work with them to promote success
- Practice regularly at home (2 hours per week minimum) and study privately if possible
- Keep the band facility neat, clean and free of litter
- Keep up with and be responsible for the music and equipment issued to him/her
- Excessive violations of the student expectations may result in the student's removal from band

GRADING POLICY

Weekly grade (Formative)

100 points a week, 20 points per day, for Daily Activity in Class

Rehearsal/Performance Grade (Summative)

100 or 200 Points each rehearsal/performance – completing the formative assessment is a prerequisite of the summative assessments. It is the duty of the students to stay informed using the band's official means of communication.

Pass Off/Prepared Performance Tests (Summative)

200 Points for selected Pass Offs for all sections. This includes choreography, preselected music, or any other relevant material deemed necessary to pass off by the director.

The formative assessment is constantly happening in every rehearsal and instant feedback is given. There will be summative assessment pass-offs throughout the year. If a student fails these summative assessment pass-offs or a lack of participation throughout class, he/she may not be able to participate fully in the summative assessment grade.

Student may only make up grades that are excused by the Bay District Schools' policies. We cannot and are not able to recreate each performance situation, so the make-up assignment will be extensive to match the level of preparation for a performance or rehearsal. If a student has an unexcused absence from a performance, the double asterisk (missing assignment) will be used in Focus. If the absence is excused, the student will have five school days to complete and submit the assignment. Exceptions will be made on a case by case basis

How to get an "A" in Band:

**Show up, participate, attend rehearsals & performances,
and do the best you can all the time.**

ABSENCES FROM REHEARSALS & PERFORMANCES

If you will be absent from a rehearsal or performance, you must go to the band website and fill out the proper form for missing an event.

All members are expected to attend every engagement in which the band participates, and are not dismissed from the performance until the band does the formal dismissal. If you are unable to attend a performance or rehearsal, you must inform the Director in advance through this web form. Illness, with a doctor's note, or death in the immediate family are the only legitimate excuses for missing a performance and rehearsal. Parents are responsible for written notice concerning absences from rehearsals and performances. Each rehearsal and performance is a grade for the student. Family Leave forms are available in the front office, and must be completed according to Bay District School Policies.

Remember the only excused absences are:

1. Death in immediate family
2. Doctor's Excuse (with note)
3. Illness

Missing any rehearsal, excused or unexcused will result in not being able to perform at halftime with the band. You will be required to participate in all other activities with the 'Million Dollar Band'. More than 10 unexcused absences in a semester, or 5 unexcused absences from band may result in the student's removal from band classes.

*"POOR PLANNING ON YOUR PART DOES NOT NECESSITATE AN EMERGENCY ON MINE."
-BOB CARTER*

COMMITMENT TO THE SCHOOL & THE BAND PROGRAM

A student must attend school at least ½ day on the day of, or the last day before a performance and must also attend 100% of the rehearsals during the week to perform at halftime at the football games. Students must be enrolled in a Band/Colorguard Class during the school day. Attendance, in-class assignments, pass offs, and performances are a part of the final grade for the class.

*“THERE ARE ONLY TWO OPTIONS REGARDING COMMITMENT.
YOU’RE EITHER IN OR YOU’RE OUT.
THERE’S NO SUCH THING AS LIFE IN-BETWEEN.”
– PAT RILEY*

In a memo dated Feb. 12, 1996 from the Bay District Supervisor of extracurricular and co-curricular activities referring to Board policy pertaining to grading after school performances and rehearsals:

“This policy clearly states that grades can be assigned to after school performances and rehearsals. Our music classes are defined as co-curricular meaning that rehearsals and performances during or after school are part of the regular program of music. Grades are assigned by our music directors for performances and rehearsals that occur during and after school hours.”

Section 8.291 Assessment and Reporting of Student Classroom Performance

Initial and primary authority and responsibility for assessment and reporting of students’ classroom performance is hereby assigned to the classroom teacher. Such grades shall be based upon factors, including but not limited to Participation in performing group rehearsals and performances that occur during or after school hours in band, chorus and drama.

FEES/CREDITS

Every student who is an active part of the Million Dollar Band will be billed in Charms Office Manager for a \$100.00 Band Camp Fee as well as a \$200.00 Fair Share Fee. Percussion and Auxiliaries will have additional fees to cover the additional expenses of their items.

Building a credit in the Charms Office Manager acct is possible and can be used towards fees in the future. Credits of active band students can be used on band related items, such as hats, gloves, oil, and sticks –at the discretion of the band director and band boosters. Any payments towards the student's Fees are considered a donation and are not refundable.

PROCEDURES

SUMMER CAMP

Summer Camp includes Rookie Camp, Colorguard & Percussion Camp, and Full Band Camp. These events are mandatory for all applicable students. (Rookie Camp is mandatory for all MDB First Years, Colorguard & Percussion Camp for all students in each of those sections, and Full Band Camp for All MDB Students). Dates and Times will be made available in the Spring of the same calendar year of the camp.

Things to remember regarding Summer Camps:

- Summer is HOT, make sure to bring water, snacks, and sunscreen.
- Eating a healthy, hearty breakfast and lunch are extremely important during camp days.
- Staying hydrated does NOT end once dismissed. Avoid sugary drinks and drink plenty of water.
- The days are long, and the work is hard, but it is all worth it in the end. Keep your head up!
- Communication and Chain of Command are the best ways to navigate through Summer Camps. We cannot fix a problem we do not know about!

REHEARSALS

During football season, full marching rehearsals are scheduled for every Tuesday and Thursday after school from 3:10-6:00 p.m. When a Thursday Night Football game occurs, rehearsal will be the only on Tuesday of that week, unless otherwise designated.

- Make sure to bring Water, Snacks, and Sunscreen to Rehearsal with you.
- For the safety of all of our students, please refrain from driving any vehicles to the practice field.
- All students should immediately report to the field and begin sectionals with the section leaders, Captains, and Drum Majors.
- No playing to and from the practice field, or while another person is speaking to the band.
- Marching band shoes or sneakers must be worn always. No sandals, flats, pumps, boots, flip-flops, etc. are allowed.
- Alertness is required, and one should react immediately to all commands and instructions.

Marching rehearsals will be most efficient if all members are diligent in correcting mistakes quickly and thinking ahead to the next move. Above all, take pride in every minute of rehearsal so that we can all take pride in our final product: the performance.

A student must be in rehearsal dress code and attend 100% of the rehearsals during the week to perform at the football games and marching band competitions; this includes the last rehearsal before the performance.

If the schedule changes, students will have at least two (2) weeks prior knowledge, unless constituted by an emergency or change made by a higher authority figure.

FOOTBALL GAMES

The Internet allows you to have freedom to manage your lifestyle to a far greater degree than you have experienced in the past. It is essential that this freedom be handled in a responsible manner so as not to jeopardize your opportunity to obtain maximum results from your high school experience. It is important that your personal conduct demonstrates good judgment. You are expected to behave both on and off campus in a manner which brings credit to the “Million Dollar Band” and Bay High School as a whole. **You are responsible for your own behavior; be aware of the image you’re creating.**

Internet policy: Posting any pictures or statements on social networking (and other) sites that are harmful to the reputation of the “Million Dollar Band” will not be allowed by any member of the band. Examples of activities that could be deemed inappropriate include but are **NOT** limited to:

BAY HIGH “MILLION DOLLAR BAND” BOOSTER CLUB

The Parents and friends of the band member’s ant Bay High have for many years maintained the Band Boosters Club. The boosters have consistently supported the music groups and guard groups a have rendered invaluable financial aid and parental backing. The success of the Bay High Band is due, in large part, to the active participation of the band boosters. Some of the objectives of the Boosters are:

- To arouse, stimulate and maintain an enthusiastic interest in all phases of the instrumental music department at Bay High School.

- To cooperate with those in charge of the instrumental music department and the School Board to the end that this department be brought to and kept at the highest possible degree of efficiency.
- To develop a closer relationship between parents and the school, fostering the musical interests and education of the children, and stimulating the knowledge, performance and appreciation of finer music.
- To assist in the purchase of instrument, uniforms, and other equipment not regularly provided for the in the school budget.
- To augment or encourage educational trips, exchange programs, or concerts that are approved or sanctioned by the school.
- To aid in chaperoning on band trips.

Booster Dues are to be set for the following year at the April Booster Meeting. The current dues are \$10 a person.

CHAPERONING EVENTS

Any Chaperone for MDB events must follow certain guidelines to maintain professionalism around the students.

- Once a Chaperone is signed up for an event, every step necessary needs to be taken to assure they will be at that event. If something prevents them from being there, a replacement chaperone needs to be found and the director and Chaperone Chair needs to be informed.
- Only use professional language – no foul language or inappropriate humor, and be sure the students in your care to do the same.
- Please do not discuss political, social, economic, and religious opinions, regardless of how strongly you or the students around you feel about them. The MDB is not a place for division in any of these categories.
- On trips, please make sure to keep good “tabs” on the students assigned to your care. Students need to checking in with you often, or in your direct line-of-sight.
- Please refrain from any alcohol and tobacco use while serving as a Chaperone of the MDB. This aligns our chaperones with Bay District and Bay High School Policies.
- Chaperones may NOT administer medication to any student except their own. Medication needs to be registered with the director and turned in to the medication handler for that trip, if applicable.
- If transporting students in a personal vehicle, a driver’s license and insurance card needs to be on file with the director and written permission needs to be granted from every student in your care.

**Remember, these students are teenagers. They have not all been raised like your child, and will not all behave like your child.

COVID-19

The Coronavirus Outbreak has caused mass confusion and high tensions. These are the guidelines that will be followed. *These guidelines may be altered at any time due to reports and directives from Bay High School, the Bay District School System, and the Florida Department of Education.*

- Every person on campus will fill out the QR form contained the questionnaire, this will require their temperature to be taken.
- All doors are One-Ways. These are clearly marked. Please follow these to the best of your ability.
- Facemasks are to be worn at ALL times, except for eating and playing.
- Students will be in small cohorts and need to remain in those cohorts at all times.
- Students will maintain 6' distance at all times.
- No more than 50 at a time are allowed in one location outside.

Regardless of the steps we take, unfortunately some of our students may be infected with the virus. The Million Dollar Band, and Bay High School, cannot be held responsible for any diagnosis.

We will get through this, and the music will live on. If we all work together, we can weather any storm. So...

Bring The Rain.

Student Handbook Agreement 2020-2021

To be signed by Parent/Guardian and Student and Returned to Mr. Brown's Office

I agree to the items outlined in this Handbook. I fully understand that participation in band requires a commitment to practice, attend rehearsals, attend and participate in performances and follow the rules and regulations of the band explained in this handbook. I understand that my commitment to be a team player is vital to the success of the band. When I miss a rehearsal or performance, I not only hurt my opportunity to improve but also limit the success of the entire band.

Fundraising for the Bay Band Program is a must and must viewed as a priority. The executive board, along with the band director, will prepare a budget for the school year, not to include the yearly trip. A portion of the yearly budget will be fundraised by each band student. The portion for the 2020-2021 school year is total of \$300 to be paid in 2 installments, \$100 due July 24th and \$200 due September 30th. I understand that additional expenses may occur and I am responsible for all expenses billed to me in Charms. All moneys collected by the Bay Band are considered a donation and will not be refunded, removal from the band for any reason does not release the student's liability to pay their bill. I understand that School Board policy 8.302 states the primary authority and responsibility for assessment and reporting of student achievement of standards is the band director. The band director shall report all assessments of student achievement in a timely manner at the direction of the principal or Superintendent. Such assessment shall be based upon factors, including but not limited to: participation in performing group rehearsals and performances that occur during or after school hours. I understand that my classroom extends beyond the regular school hours when participating in rehearsals and performances. My class grade depends on my attendance at all rehearsals and performances. Therefore, I realize the importance of attending rehearsals and performances and understand that my lack of attendance at a rehearsal or performance could adversely affect my grade in the band and may even result in my dismissal from the band.
